

Ramones - Palisades Park

Tom: G

G E

G
Last night I took a walk in the dark

E
To a place called Palisades Park

C D
To have some fun, to see what I could see, that's where the girls are

I took a ride on the shoopty shoop
The girl I sat with almost, almost puked
And when it stopped, she was holding hands with me

C
My arms were flying up, like a rocket ship

E
Down, like a roller coaster

C
Fast, like a loopy loop

D

Then around, like a merry-go-round
We even at a hot dog stand
Slam danced to a rockin' band
And when she winked, I gave that girl a hug, in the tunnel of love

C
You'll never know how good it just can feel

E
'Til it stops at the top of the ferris wheel

C D
I fell in love, down at Palisades Park

[G E] x2

[C D F#\G]

Last night I took a walk in the dark...
I took a ride on the shoopty shoop...
My arms were flying up, like a rocket ship...
We even at a hot dog stand...
You'll never know how good it just can feel...
