

Ramones - Substitute

Tom: D

[D A G D] x2

D G A D
 You think we look pretty good together
 You think my shoes are made of leather

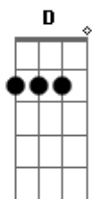

E D D E D
 But I'm a substitute for another guy
 I look pretty tall but my heels are high
 The simple things you see are all complicated

E D D E D A
 I look pretty young but I'm just back-dated yeah
 D A G D

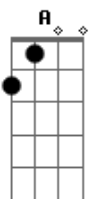

It's a substitute lies for fact
 I can see right through your plastic mad
 I look all white but my dad was black
 D A G D

My fine looking suit is really made of sack
 I was born with a plastic spoon in my mouth
 Northside of my town faces east and northside faces south
 And now you dare look me in the eye
 But crocodile tears are what you cry
 It's a genuine problem you won't try to work it all out
 Just pass it by pass it by
 Substitute me for him
 Substitute my coke for gin
 Substitute you for my mum
 At least I'll get my washing done
 [D G D] x2
 But I'm a substitute for another guy...
 [D A G D] x2
 I was born with a plastic spoon..
 Substitute me for him...
 It's a substitute lies for fact...
