C F A
 You didn't mean anything to me
 F C A
 You didn't mean anything to me

[riff]

D E A
 Skies were cloudy everyday
 Nothing wanted to grow
 We had our last chance

D A
 I think I told you so

D E A
 Every dinner was crummy
 Nothing was on T.V.
 I was ready to pack it up

D A
 Our heads were so achey
 F C A
 You didn't mean anything to me

C F A
 You didn't mean anything to me

[riff]

We got to get away
 Another lawn to mow
 We had our last chance
 I think I told you so
 Ever dinner was crummy

Even the ones for free
 I was ready to pack it up
 Forget the agony

F C A
 You didn't mean anything to me
 C F A
 You didn't mean anything to me

[riff]
 Everybody was cranky
 Even the maids were mean
 We ran into a miracle
 There was beer in the soda machine
 Every dinner was crummy
 Even the ones for free
 I was ready to pack it up
 Forget the agony
