

Ramones - You Sound Like You're Sick

Tom: Db

[Db Ab Gb Ab] x2

Well I can't understand, oh-o-o

Anything about you

Help you if I can, oh-o-o

What can I do

Here's your new home

That's where you must be

In the institution 'cause you're so lazy

But if you must act up, oh-o-o

Again and again

'cause everybody knows, oh-o-o
 You're a hopeless problem
 Here's your new home
 That's where you must be
 In the institution 'cause you're so lazy

You sound like you're sick
 You look like your sick too
 You sound like you're sick

But if you...
 You sound...

Well I can't...
 You sound...

You look...
