And out of the dark walked a strange man

If you think it's a pack of lies
I saw it happen with my own eyes
A million miles from the Milky way
A hundred years, a month, and a day

C [E G A] x2
Zero zero (zero zero) UFO
Zero zero (zero zero) UFO

When media writes the neon lights
Spaceship travels at the speed of light
A million stars in the sky
I here the Queen's on the alien's side

If you think it's a pack of lies...

Zero zero...
