

Ramzi - Love Is Blind

Tom: D
Intro: Bm Bm A Gbm7 G7M Em Gb4 Gb7

Verso 1 :

I see you all the time , never see you smile
I try to picture what's going on in your mind
He leaves you every night by yourself
He took your love and put it on the shelf
He doesn't really care... how you feel...
You should be moving on girl what's the deal?
Cause girl you know you're worth much more
I wanna see you out that door...

So baby tell me why you stick around
Always lonely and you only wear a frown
He don't treat you good and you know
The only thing left is for you to go
You shouldn't live a lie with someone
When deep inside you know he ain't the one
I don't know what to say no more
I wanna see you out that door

Refrão:

Yah azizi (yo precious) is mahini (listen to me)
I really don't wanna see u cry
Mujko samjho dil peh mate lo (understand me don't take it to heart)
Don't wanna see another tear in your eye
Baby break away , let him go
I don't know what he's done to you
But I know that it's time to move on
Girl your love is blind

Verso 2:

Girl I understand , that you're scared
And you feel that you might never love again
But baby that ain't true , No no no
I know that there is someone there for you
Someone that will see , that you are worth
An undiscovered treasure on this earth
Girl you know you're worth so much more
I wanna see you out that door

Refrão:

Yah azizi (yo precious) is mahini (listen to me)
I really don't wanna see u cry
Mujko samjho dil peh mate lo (understand me don't take it to heart)
Don't wanna see another tear in your eye
Baby break away , let him go
I don't know what he's done to you
But I know that it's time to move on
Girl your love is blind
