(First measure of second verse)

Well the rest of times they don't face me
Ever if I'm looking like pretty crazy
On my way down she betrayed me
Now my vision is no longer hating
See I'm very happy to have my crew
Testify me when she's through
I've been knocked out, beat down, black and blue
She's not the one coming back for you
She's not the one coming back for you
