Tom: **F**
 By: tom hermsdorfer
 Standard Tuning (EADGBe)

```
|---5-|
|-5-5-| 9X
|-5-3-|
|-3---|
```

i felt like tabbing so i did for one of my favorite songs. im 100% sure that this is the right tab for hyena. i got the whole song down except for the solo(its pretty tricky), but i workin on it. im only writing down the chords to play. so you're gonna have to figure out the beat, enjoy!
