consumed in sacred ground for me

(same chords)
there wasn't always a place to go
but there was always an urgent need to belong
all these bands and all these people
all these friends and we were equals
but what you gonna do
when everybody goes on without you?

CHORUS:

G **D** **E** **C**

to the end to the end i'll journey to the end

Verse2:

started in 87 ended in 89
got a garage or an amp we'll play anytime
it was just the 4 of us, yeah man the core of us
too much attention unavoidably destroyed us
4 kids on tour, 3000 miles
in a 4-door car not know what was goin' on
we got a million years tourin' out like this
hell no no premonition coulda seen this

CHORUS

repeat Intro

Verse3:

my friend came from far away
from new orleans into the east bay
he said this is a mecca
i said this ain't no mecca man, this place's fucked
3 months go by, he had no home
he had no food he's all alone
matty said fool me once shame on you
didn't fool me twice he went back to new orleans
