(G)

G C
everybody saying we gotta take a chance
D C G
and telling me what the hell went wrong
G C
we only listen to the words that we sing
D C G
now a million are singing along

(last one)

G C
we got it right, you got wrong,
D C
we're still around (last one to die)
G C
we're going up, you're going down
D C
we're still around (last one to die)

G C
the ones that counted us out
D C G
regret that they packed the fight
G C
we sit on top of the world
D C G
and were proving it every night

(last one)

G C
we got it right, you got wrong,
D C
we're still around (last one to die)
G C
we're going up, you're going down
D C

we're still around (last one to die)

G C
through the storm and the gigs
D C G
and the good and the bad
G C
there ain't no doubt
D C G
we knew from the very first show, what it was all about

(last one)
