

Randy Brown - I'd Rather Hurt Myself

Tom: B

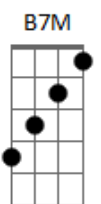

E7M **Gb7**
 All the talk, that's going around town
B7M
 About me and Maryann
Ab4 **Ab**
 Is getting you down down down
E7M
 And i'm aware of all your friends
Gb7
 Calling you fool
B7M
 Trying to show you the place
Ab4 **Ab**
 To wher i'm using you you you
E7M **Gb7**
 After all these years we've been together
B7M **Ab4** **Ab**
 I'd know that now, you would know me better
E7M **Gb7** **Ebm**
 I'd rather hurt myself than hurt you
E7M
 Now i can understand
Gb
 You've been all absent
B7M
 The all town is laughing
Ab4 **Ab**
 And talking behind your back
E7M

But i shouldn't have to remind you
Gb
 How low down people are
B7M
 They say you've doing good
Ab4 **Ab**
 The better way to tell us apart
E7M **Gb**
 Just remember, before you walk out the door
B7M **Ab4** **Ab**
 The words i told you "twelve long years ago"
E7M **Gb7** **Ebm**
 I'd rather hurt myself than hurt you
Ab4 **Ab**
 I don't wanna hurt you no, no, no
E7M **Gb7** **Ebm** **Ab4** **Ab**
 I'd rather hurt myself than hurt you
E7M **Gb7** **Ebm**
 I'd rather hurt myself than hurt you
E7M
 I don't wanna hurt you no, no, no
B7M **E7M**
 Because you mean so much to me baby
B7M
 And i'll give you all i got
E7M
 If you want it so
B7M **E7M**
 I'd rather hurt myself, hurt myself, hurt myself
 Than ever hurt you
