Chorus

I play the street life, because there's no place I can go

Street life, Its the only life I know

Street Life, and there's a thousand cards to play

Street Life, untill you play your life away

Verse

You let the people see, just who you wanna be

And everynight you shine, just like a superstar

The type of life that's played, a temptin' masquerade

You dress you walk you talk, You're who you think you are

Street life, You can run away from time

Street life, For a nickel, or a dime

Street life, But you better not get old

Street life, Or you're gonna feel the cold

There's always love for sale

A grown up fairy tale

Prince charming always smiles

Behind a silver spoon

And if you keep it young

Your song is always sung

Your love will pay your way beneath the silver moon
