

Randy Travis - I Told You So

Tom: G

Suppose I called you up tonight,
 And told you that I loved you,
 And suppose I said I wanna come back home.
 And suppose I cried and said I think I finally learned my lesson
 And I'm tired of spending all my time alone.

If I told you that I realized you're all I ever wanted
 And it's killing me to be so far away.
 Would you tell me that you loved me too and would we cry together?
 Or would you simply laugh at me and say:

I told you so, oh I told you so.
 I told you someday you would come crawling back
 and asking me to take you in

I told you so, but you had to go,
 Now I found somebody new and you will never break my heart in two again.

If I got down on my knees
 And told you I was yours forever
 Would you get down on yours too and take my hand ?
 Would we get that old-time feeling
 Would we laugh and talk for hours
 The way we did when our love first began
 Would you tell me that you've missed me too
 And that you've been so lonely
 And you've waited for the day that I returned
 And we'd live and love forever
 And that I'm your one and only
 Or would you say the tables finally turned
 And would you say

I told you so, oh I told you so.
 I told you someday you would come crawling back
 and asking me to take you in

I told you so, but you had to go,
 Now I found somebody new and you will never break my heart in two again.
