

Rannah Sheeva - Brave

tom:

Intro: Cm G Cm

I found peace
 In a hazy and cold winter
 In a morning of Christmas

I felt home
 In a land that wasn't my own
 But loved me better

What if all we seek is hiding
 At the world's edge
 What if fear is only lies
 Will I believe
 That I'm just one and can't try
 To make a difference in the world?
 No
 (Gm Cm)

I found love
 When I knew that I didn't deserve

And it made me better

I felt brave
 When I faced the voices telling me
 That I'd never make it

What if all dreams had a price
 Would we be brave
 To stand for what's our right?
 I'll take my chance
 To never be the same
 I am ready, to give all that I am
 I am ready, to give it all, to give all that I am
 (Gm Cm)

I found freedom
 When I stood up and became the one
 That I've always dreamed of

I felt strong
 When I took decisions on my own
 But I will always hold onto You
