

Rapha Chiavegati - Perfection

Tom: A
Intro: A Gbm D E

You are a brave girl, you have no fear
You are so sweet, you have my sympathy
You are so strong
You fly very high
Uneven bars, balance beam, floor and vault
Everything you do is magic
You are so flawless
Perfect 10

You are breathtaking
Your family must be proud
Stronger than a spartan
Cutest than a flower
You are the bravest girl I've ever seen in life

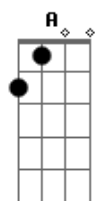

Trample the fear beneath your feet
You have the eye of the tiger
Determination
I see perfection
I love to watch you in your glory

I love to see you on the top
Top of the world
Top of the world
You are breathtaking
Your family must be proud
Stronger than a spartan
Cutest than a flower
You are the bravest girl I've ever seen in life
But if you fall
You just get up again
You have the gift of overcoming
Like a phoenix you will rise again

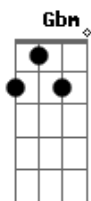

Solo 2x: (A Gbm D E)

You are breathtaking
Your family must be proud
Stronger than a spartan
Cutest than a flower
You are the bravest girl I've ever seen in life
You are the bravest girl I've ever seen in life
You are the bravest girl I've ever seen in life
