

# Rapha & Leagan - Caroline Birds

tom:  
 Capostraste na 4ª casa

Waiting for her birds  
 Watching time pass  
 Existing green mountains  
 With heaven weird things  
 There's could be no big deal

Caroline, caroline, caroline, caroline  
 What do you, what do you, what do you want?  
 Lived near eleanor

Celebrated around  
 Heard a beautiful sound  
 What is that? She said  
 Don?t worry my dear, it's just the sounds of birds  
 Waiting for her birds  
 Watching time pass  
 Existing green mountains  
 With heaven weird things  
 Oh-wow-oh  
 Living, living, living  
 Oooh, living  
 Living, living, living

## Acordes
