

# Rascal Flatts - Aftermath

Tom: A

A E  
The way you turned your head  
Gbm  
And all the words you said  
D  
The way they left your lips they left me  
A E  
Frozen in my tracks  
Gbm  
Now you can't take them back  
D  
No it's too late for that, now I feel

A  
The aftermath of  
E  
A fragile, cracked love  
Gbm D  
That all but fell apart  
A  
Like gravel to skin  
E  
The hurt has set in  
Gbm D  
And all that's left of my heart  
A  
Are pieces and parts

A E  
How was I to know  
Gbm  
Like a hammer to my soul  
D  
You would break me down so easily  
A E

Now baby here I am  
Gbm  
Left with half of could have been  
D  
Can't help wondering if you feel

A  
The aftermath of  
E  
A fragile, cracked love  
Gbm D  
That all but fell apart  
A  
Like gravel to skin  
E  
The hurt has set in  
Gbm D  
And all that's left of my heart  
A  
Are pieces and parts  
( Gbm D Gbm D )
