Tom: G

(intro) Em D
Em G D

Staring at you taking off your makeup D
Wondering why you even put it on Em

I know you think you do, but baby, you don't need it D
Wish that you could see what I see when it's gone Em G
I see a dust trail following an old red Nova C G

Baby blue eyes and your head on my shoulder Em G
Wait, baby don't move, right there it is D

A T-shirt hanging off a dogwood branch C G

That river was cold but we gave love a chance D
Yeah, To me Em G

You don't look a day over fast cars and freedom D
That sunset, riverbank, first time feeling D Em D

(Em G D)

Yeah, smile and shake your head as if you don't believe me Em

I'll just sit right here and let you take me back Em

I'm on that gravel road, look at me D

On my way to pick you up! You're standing on the front porch Em G

Looking just like that

I see a dust trail following an old red Nova C G

Baby blue eyes and your head on my shoulder Em G

Wait, baby don't move, right there it is D
A T-shirt hanging off a dogwood branch C G

That river was cold but we gave love a chance D
Yeah, To me Em G

You don't look a day over fast cars and freedom D
That sunset, riverbank, first time feeling D
