

# Rascal Flatts - Here

Tom: A

There's a place <sup>A A</sup> I've been lookin' <sup>B Bm</sup> for  
 That took me in and out of buildings <sup>A D</sup>  
 Behind windows, walls and doors <sup>A A E</sup>  
 And I thought I found it <sup>A A</sup>  
 Couple times, even settled down <sup>B Bm</sup>  
 And I'd hand around just long enough <sup>A D</sup>  
 To find my way back out <sup>A A Abm</sup>

<sup>Gbm Dbm A A Abm Gbm</sup>  
 I know now the place that I was trying to reach  
<sup>Dbm A</sup>  
 Was you, right here in front of me

<sup>E Gbm</sup>  
 And I wouldn't change a thing  
<sup>A A</sup>  
 I'd walk right back through the rain  
<sup>Dbm Gbm</sup>  
 Back to every broken heart  
<sup>A Dbm</sup>  
 On the day that it was breakin'  
<sup>E Gbm</sup>  
 And I'd retrieve all the years  
<sup>Dbm A</sup>  
 And be thankful for the tears  
<sup>Bm A Abm Gbm</sup>  
 I've cried with every stumbled step  
<sup>E</sup>  
 That led to you and got me  
 (see intro or) <sup>A A B Bm A A</sup>  
 here, right here

<sup>A A B Bm</sup>  
 It's amazing what I let my heart go through  
<sup>A D</sup>  
 To get me where it got me  
<sup>A A E</sup>  
 In this moment here with you

<sup>A A</sup>  
 And it passed me by  
<sup>B Bm</sup>  
 God knows how many times  
<sup>A D</sup>  
 I was so caught up in holding  
<sup>A A Abm</sup>  
 What I never thought I'd find

<sup>Gbm Dbm A A Abm</sup>  
 I know now, there's a million roads  
<sup>Gbm</sup>  
 I had to take  
<sup>Dbm A</sup>  
 To get me in your arms that way

<sup>A Dbm</sup>  
 Here  
<sup>E Gbm A A Dbm</sup>  
 In a love I never thought I'd get to get to here  
<sup>Bm</sup>  
 And if that's the road  
<sup>A Abm Bm E</sup>  
 God made me take to be with you

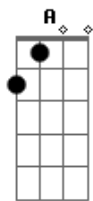

<sup>E Gbm A A</sup>  
 Here right here right  
<sup>E Gbm A A</sup>  
 here yeah  
<sup>E Gbm</sup>  
 And I'd retrieve all the years  
<sup>Dbm A</sup>  
 And be thankful for the tears  
<sup>Bm A Abm Gbm</sup>  
 I've cried with every stumbled step  
<sup>E</sup>  
 That led to you and got me

<sup>A A B Bm A A</sup>  
 oh..... here, right here Oh, baby

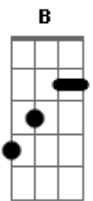

<sup>A A B Bm A</sup>  
 Ooo Oh, got me

<sup>A A</sup>  
 here
