

Rascal Flatts - Skin

Tom: D

(intro) D G D A G

(verso 1)

Sara Beth is scared to death,
To hear what the doctor will say,
She hasn't been well, since the day that she fell,
and the bruise that just won't go away,

(pré-refrão)

So she sits and she waits with her mother and dad,
And flips through an old magazine,
Till the nurse with the smile stands at the door,
and says will you please come with me,

(verso 2)

Sara Beth is scared to death,
Cause the doctor just told her the news,
Between the red cells and white,
Somethin's not right but we're gonna take care of you,

(pré-refrão)

Six chances in Ten it won't come back again,
With the therapy we're gonna try,
It's just been approved it's the strongest there is,
I think we caught it in time,
Sara BEth closes her eyes,

(refrão)

She dreams she's dan--cin'
Around and Around without any cares
And her very first love is holding her close,

And the soft winds blowin' her hair,

(verso 3)

Sara Beth is scared to death,
As she sits holding her mom,
Cause it would be a mistake for someone to take,
A girl with no hair to the prom,

(pré-refrão)

Oh just this morning right there on her pillow,
Was the cruelest of any surprise,
And she cried as she gathered it all in her hands,
The proof that she couldn't deny,
Sara BEth closes her eyes,

(refrão)

She dreams she's dan--cin'
Around and Around without any cares
And her very first love is holding her close,
And the soft winds blowin' her hair,

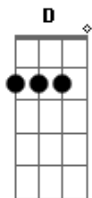

(ponte)

It's quarter till seven, that boy's at the door,
And her daddy ushers him in,
But when he takes off his cap, they all start to cry,
Cause this mornin' where his hair had been,
Softly she touches just skin,

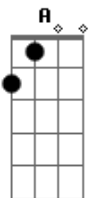

(refrão)

They go dan--cin'
Around and Around without any cares
And her very first love is holding her close,
For a moment she's unscared,
