

Rascal Flatts - Stand

```
Intro: 2x: F Am G
You feel like a candle, in a hurricane,
Just like a picture,
                               with a broken frame,
Alone and helpless,
                     like you've lost your fight,
You'll be alright, You'll be alright, cause
When push comes to shove you taste what you're made of, $\mathsf{Am}$
You might bend till you break, it's all you can take,
On your knees you look up, decide you've had enough
You get mad, you get strong, wipe your head, shake it off
Then you stand,
                   \mathsf{Am}\ \mathsf{F}\ \mathsf{C}\ \mathsf{G}
Then you stand
                         with the end ripped out
Life's like a novel,
                            with only one way down,
The edge of a canyon,
Take what you're given,
                              before it's gone,
Start holdin' on, keep holdin' on, cause
When push comes to shove you taste what you're made of,
```
