

# Ratto - Assim, Assim

Tom: A

Intro: E7 A7 E7 A7 C7 Abm7 Gbm7 B7

E7 A7  
Sinceramente, não vou ficar  
E7 A7  
Passando a limpo meu coração  
C7 Abm7  
Roendo as unhas, pensando em voz alta  
Gbm7 B7  
Botando os pingos nos ii.

Falando sério eu já cansei  
De revirar minhas emoções  
De vasculhar as gavetas  
Do armário embutido da nossa paixão

Abm7 A7  
Beijos, estou de saída  
Abm7 A7  
Vou reinventar minha vida  
E7 A7 E7 A7  
Vi-----da, vi-----da  
Gbm7 B7

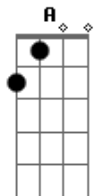

Eu preciso viver  
Abm7 Gbm7 A7  
Eeee-----ei, amiga  
Gbm7 B7 E7  
Pra que disfarçar nossa solidão? (2x)

Se continuasse assim, assim  
Um dia a gente ia terminar  
Saindo pela tangente  
Ou desidratado de tanto chorar

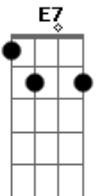

Na certa ainda vais remexer  
Nisso ou naquilo até concordar  
Que o nosso erro foi não conjugar  
Aos limites o verbo amar

Registra minha partida  
No arquivo da sua vida  
Vida, vida  
Eu preciso viver  
Ei, amiga  
Pra que disfarçar nossa solidão?  
Gbm7 B7 C D E7  
Pra que disfarçar nossa solida---o?
