

Ratto - Canudinho

Tom: A

Se eu tivesse um canudinho
 Eu chupava você
 Pra dentro do meu mundinho
 Pra comigo viver
 Pra comigo viver

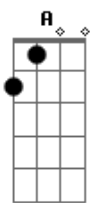

Se eu tivesse um canudinho
 Eu me enchia de você
 E acabava com o vazio
 O vazio de viver

Se eu pudesse te liquefazer
 Eu te bebia até ficar de porre
 Você me embebeda
 Você me enlouquece
 Ai meu Deus como é que você pode ?

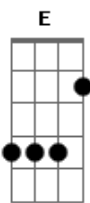

Se eu tivesse um canudinho
 Eu chupava você
 Pra dentro do meu mundinho
 Pra comigo viver
 Pra comigo viver

Pode ser tocado em "A E D Eb " Power Chord
