

# Raul Seixas - Diana / Little Darlin' / Oh! Carol / Runaway (pot-pourri)

Tom: E

I'm so young and you're so old  
 This, my darling, I've been told  
 I don't care just what they say  
 Cause forever I will pray  
 You and I will be as free  
 As birds up in the trees  
 Oh, please, stay by me, Diana  
 Stay by me, Diana

So darling, you're my little lover  
 There can be no other  
 I give my love to you  
 Well, you're my little lover  
 There can be no other  
 I give my love to you  
 Well

Oh, Carol  
 I am but a fool  
 Darling, I love you  
 Though you treat me cruel  
 Well, you hurt me

And then you make me cry  
 But if you leave me  
 I will surely die  
 As I walk along  
 I wonder a-what went wrong  
 With our love  
 A love that was so strong  
 And as I still walk by  
 I think of the times we've had together  
 While our hearts were young  
 I'm a walking in the rain  
 It's a-falling and I'm feeling pain  
 Wishing you were here by me  
 To end this misery  
 I wonder  
 I wa-wa-wa-wa-wonder  
 Why  
 Ah-why-why-why-why-why  
 She went away  
 Yes, I wonder where you will stay  
 My little runaway, run-run-run-run
