

# Raul Seixas - Lua bonita

Tom: A

Intro: Dm A C Bm Bb7 A

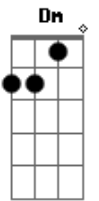

Lua bonita se tu não fosses casada  
 Eu preparava uma escada  
 Pra ir no céu te buscar  
 Se tu colasses  
 Teu frio com o meu calor  
 Eu pedia a nosso senhor  
 Pra contigo me casar  
 Lua bonita me faz aborrecimento  
 Ver São Jorge num jumento  
 Pisando no teu clarão  
 Pra que casaste  
 Com um homem tão sisudo  
 Que come, dorme, faz tudo  
 Dentro do seu coração

Lua bonita  
 Meu São Jorge é teu senhor  
 E é por isso que ele vive  
 Pisando no teu esplendor  
 Lua bonita  
 Se tu ouvisses meus conselhos  
 Vai ouvir, pois sou alheio  
 Quem te fala é o meu amor  
 Deixa São Jorge  
 No seu jubaio montado  
 E vem cá para o meu lado  
 Pra gente viver sem dor  
 Deixa São Jorge  
 No seu jubaio montado  
 E vem cá para o meu lado  
 Pra gente viver sem dor
