You're my first and my last
       Gb
Love and you're my escape
coro 1:
So tell me you'll be right here with me
  Abm
Hearing your voice is like hearing an angel sing
Through the good and bad and all in between

You're the one i want and the one i need
 E
               Gb
And i know

To live each day like it's my last
