Ray Charles - Ellie, My Love

Tom: D

```
   D                                                          Gbm
There were times I left your heart in pain, time again I've
turned and walked away
       D7                                      G
I get to where I'm going just to find
               Em7             A7                    D
Bm
Won't be happy in this world if you're not by my side
    G          A7    D
Ellie, my love so sweet

                 D
Gbm
My heart told me to break away now I'm out here far away
       D7                                          G
Wish that I could hold you in the night
               Em7             A7                    D
Bm
Then I'd wake up to a morning that is warm and bright
    G          A7    D
Ellie, my love so sweet

    Em7                              A7         Gbm7
Bm7
Smile for me, won't you, baby,  forever you'll be on my mind
    Em7                              A7               Gbm7
Bm7
Drink with me won't you baby, we're gonna make it right this
time
G                        A7                       Gbm7
B7
There's no one else like you, anything you want, I'll do
    G          A7    D
Ellie, my love so sweet
    G          A7    D
Ellie, my love so sweet
