

# Ray Charles - I Believe To My Soul

Tom: E

**Ebm**  
One of these days  
And it won't be long  
**Ebm**  
You're gonna look for me  
**Abm**  
And I'll be gone'  
Cause I believe  
(I believe, yes I believe)  
**Ebm**  
I say I believe right now  
(I believe, yes I believe)  
**B Bb**  
Well I believe to my soul now  
You're tryin'  
To make a fool of me  
**Ebm**  
(I believe it, I believe it)  
  
**Ebm**  
Well you're goin' 'round here  
With your head so hard  
**Ebm**  
I think  
I'm gonna have to use my rod  
**Abm**  
'Cause I believe  
(I believe, yes I believe)

**Ebm**  
I say I believe right now  
(I believe, yes I believe)  
**B Bb**  
Well I believe to my soul now  
You're tryin'  
To make a fool of me  
**Ebm**  
(I believe it, I believe it)  
  
**Ebm**  
Last night  
You were dreaming  
And I heard you say  
**Ebm**  
"Oh, Johnny"  
When you know my name is Ray  
That's why  
**Abm**  
I believe right now  
(I believe, yes I believe)  
**Ebm**  
I say I believe right now  
(I believe, yes I believe)  
**B Bb**  
Well I believe to my soul now  
You're tryin'  
To make a fool of me  
**Ebm**  
(I believe it)
