

Ray Charles - I Believe To My Soul

Tom: E

Ebm
 One of these days
 And it won't be long
Ebm
 You're gonna look for me
Abm
 And I'll be gone'
 Cause I believe
 (I believe, yes I believe)
Ebm
 I say I believe right now
 (I believe, yes I believe)
B Bb
 Well I believe to my soul now
 You're tryin'
 To make a fool of me
Ebm
 (I believe it, I believe it)
Ebm
 Well you're goin' 'round here
 With your head so hard
Ebm
 I think
 I'm gonna have to use my rod
Abm
 'Cause I believe
 (I believe, yes I believe)

Ebm
 I say I believe right now
 (I believe, yes I believe)
B Bb
 Well I believe to my soul now
 You're tryin'
 To make a fool of me
Ebm
 (I believe it, I believe it)
Ebm
 Last night
 You were dreaming
 And I heard you say
Ebm
 "Oh, Johnny"
 When you know my name is Ray
 That's why
Abm
 I believe right now
 (I believe, yes I believe)
Ebm
 I say I believe right now
 (I believe, yes I believe)
B Bb
 Well I believe to my soul now
 You're tryin'
 To make a fool of me
Ebm
 (I believe it)
