

# Ray Charles - I Believe To My Soul

Tom: E

**Ebm**  
 One of these days  
 And it won't be long  
**Ebm**  
 You're gonna look for me  
**Abm**  
 And I'll be gone'  
 Cause I believe  
 (I believe, yes I believe)  
**Ebm**  
 I say I believe right now  
 (I believe, yes I believe)  
**B Bb**  
 Well I believe to my soul now  
 You're tryin'  
 To make a fool of me  
**Ebm**  
 (I believe it, I believe it)  
**Ebm**  
 Well you're goin' 'round here  
 With your head so hard  
**Ebm**  
 I think  
 I'm gonna have to use my rod  
**Abm**  
 'Cause I believe  
 (I believe, yes I believe)

**Ebm**  
 I say I believe right now  
 (I believe, yes I believe)  
**B Bb**  
 Well I believe to my soul now  
 You're tryin'  
 To make a fool of me  
**Ebm**  
 (I believe it, I believe it)  
**Ebm**  
 Last night  
 You were dreaming  
 And I heard you say  
**Ebm**  
 "Oh, Johnny"  
 When you know my name is Ray  
 That's why  
**Abm**  
 I believe right now  
 (I believe, yes I believe)  
**Ebm**  
 I say I believe right now  
 (I believe, yes I believe)  
**B Bb**  
 Well I believe to my soul now  
 You're tryin'  
 To make a fool of me  
**Ebm**  
 (I believe it)
