

Ray Charles - Leave My Woman Alone

Tom: G

If you don't want you don't have to get into trouble
 If you don't want you don't have to get into trouble
 If you don't want you don't have to get into trouble
 You just leave my woman alone

Well I know you are a playboy
 And you've got women all over town
 But if I ever see you sweet talk my little girl
 I'm gonna lay you body down

Repeat #1 But if you?

Well I know you've got some money
 And you got a new '57 too
 But if I ever see my little girl in your new car
 I'm a gonna do some work on you

Repeat #1 But if you?

Well I don't believe in trouble
 And I don't want to start a fight
 But if you take heed and stay away from my little girl
 Everything will be alright
