Ray Charles - Let's Go Get Stoned

```
Tom: Db
                                                               Verse 2:
Intro: piano (l.h. bass) w/drums
                                                                       You know I work so hard all the day long
                                                                       Everything I try to do seem to always turn out wrong
         Ab

                                                                       That's why I wanna stop by on my way home and say
                                                                       (Let's go get stoned) Now let me tell you one more
                 Db
                      F7
                               Bb7
                                              Ebm Db7 Gb
                                                               thing
     < (Let's go get stoned) 1: yeah (whoa-oh-oh)
Refrão<
             Gb Db
                                         Db
                                                                repeat chorus
                                  Ab
     < (Let's go get stoned) 1: everybody
                              2: now wait a minute
                                                               Bridge:
repeat chorus
                                                                       Gb7
                                                                                     Bbm
                                                                       Ain't no harm to have a little taste
Verse 1:
                                                                       Gb7
                                                                                                Db7
                                                                       But don't lose your cool and start messing up the
        Db
                      Gb
       You know my baby
                             she won't let me in
                                                               man's place
       Db
                             Gb
                                                                       Gb7
                                                                                      Bbm
       I've got a few pennies
                                                                       Ain't no harm to take a little nip
                                   I'm gonna buy myself a
bottle of gin
                                                                       Gb7
                                                                                              Eb7
                                                                                                                  Ab7
                                                                       But don't you fall down and bust your lip mmm,
       Db
                            F7
                                         Bbm
                                                  Db7 Gb
Gdim7
                                                               no, no
       And then I'm gonna call my buddy
                                            on the telephone
and say
                                                                repeat chorus to fade:
                  Db
       Gb
                          1: Ab
                                            Db
                                                                       3: I think everybody wants to come on and go with me
        (Let's go get stoned)
                                      Now listen
                                                                       4: I'm gonna tell you one more time what I'm gonna do
                                                                       5: I think you ought to say it one more time
repeat chorus
