

Ray Stevens - Help Me Make It Through The Night

Tom: D

m [Intro] C7

Take the ribbon from your hair

Shake it loose and let fall

Layin soft against your skin

Like the shadows on the wall

Hold it, hold it, I say hold it, son! That ain't movin' me!
Let's put a little fire in it!

"Three gunshots"

(F C7)

Take the ribbon from your hair

Shake it lose and let it fall

Layin' soft against your skin

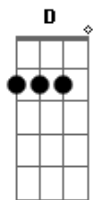

Like the shadows on the wall

Come and lay here by my side

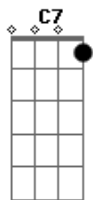

'Til the early mornin' light

All I'm takin' is your time

Help me make it through the night

I don't know what's right or wrong

I don't try to understand

Let that devil take tomorrow

'Cause tonight I need a friend

Yesterday is dead and gone

And tomorrow's out of sight

And it's sad to be alone

Help me make it through the night

Yes it's sad to be alone

"Gunshot", "thud"

"Shift back to jazzy waltz"

Help me make it through the night

"Drinking sounds", "belch", "whistle"

- Hold it!
- Ohhh! Ohhh!

"Gunshot", "breaking glass", "thud"

Well now I say, I say that's more like it!
