Hello, it's RAYE here

Please, get nice and comfortable and lock your phones

Because the story is about to begin, uh

Ladies and gentlemen, I'm gonna tell you 'bout

One of the many men, name is irrelevant, height is irrelevant

He was a one out of a ten, I wish that I knew it then

I'm still recovering (uh)

Truly I'm vulnerable, I love a sentiment

Quickly I opened up, I learned my lesson then

Thought I was safe again, thought he was innocent

I was so wrong

I can't deny, I was stuck in a daze, a terrible phase

You was convincing though, very believable

The role that you played

So I'll take this front row seat

And, baby, baby, you can go ahead

Cry those Oscar winning tears

Popcorn and I scream

Baby, baby, you can go ahead

Cry those Oscar winning tears, baby, mm

Oh, what a tragedy, it didn't have to be

Look how you talk to me, cursing and blasphemy

Cinematography, get this on camera, please

Or no one gon' believe this here

I can't deny, I thought you were the man

But you had a plan

The fuck are you lying for? Fuck are you crying for?

You did it again (yeah-ah-ah-ah-ah)

So I'll take this front-row seat

And, baby, baby, you can go ahead

Cry those Oscar winning tears

Popcorn and I scream

Baby, baby, you can go ahead

Cry those Oscar winning tears

Tears, tears, baby

You can miss me with the bullshit

I can see right through your tears, tears, baby

Nine o'clock entertainment

Oh, man, I wish I could tape it

Sit down, no tissues

No string section, no tiny violin

For the last time, I'm your audience

I'll take this front-row seat

And, baby, baby, you can go ahead and cry thoose, baby

And, baby, baby, baby, would you really go ahead

And would you go ahead and just

Cry, cry, cry (tears, baby)?

Cry, cry those Oscar (Oscar) winning

(Winning) Tears (tears), baby

(Tears, baby, go ahead, cry those Oscar winning)

And after his Oscar winning performance

I left the room and never saw him again
