

# Rayland Baxter - Driveway Melody

Tom: F

Take me away  
 Cause I don't wanna stay  
 In the canyon longer than I have to  
 Well it don't matter where  
 Just get me out of here  
 I don't care if I gotta turn around  
 Oh cause for me I would rather be  
 Under a tall tree  
 With a better woman  
 On an old street  
 Tell me what I need to do  
 Oh Hey look at me babe  
 I'm walking down your street  
 I can see you talking to you maker  
 With a bow in your hair  
 A trickle in your stare  
 And a shiny penny in your shoes

Cause for me I would rather be  
 Under a tall tree  
 With a better woman  
 On an old street  
 Tell me what I need to do  
 Now it's 12: 22 and I got a better view  
 From my tree top way up on the mountain  
 And there's gold all around  
 And I can see your town  
 And I know you've been  
 Waiting there for me  
 Is it just for me?  
 So let's go  
 Nevermind the weather  
 On the high road  
 Yesterday is nothing like tomorrow  
 There's nothing more that we can do oh  
 Oh so what do I do  
 Wooh  
 [Final]
