

# Razor Red Noise - Image

Tom: E

(Intro: A E B (2X))

E A  
it's come to this, no doubt about it

E  
i know it seems like i don't care

B E  
but the taste's still in the air

A  
and if anything, i'd steal back one more day

E  
and share

B  
a moment with you

E A  
because when i separate the image from the real

Dbm  
with what am i left

B  
a shell of more than this

A  
and when i try to recall

all the detail it fades

Dbm  
it's gone

Dbm B  
once and for all

A  
i walked the line and steps that led us here

E  
come back

B E A  
you've gone without a trace

the only thing that kept me grounded in hell

A  
is lost

E B  
and i can't replace

E A  
and when i separate the image from the real

with what am i left

B  
a shell of more than this

A  
and when i try to recall

all the detail it fades

Dbm  
it's gone

B A  
once and for all

B A Dbm  
once and for all

B  
once and for all

Final: E A E B (2x)
