

RBD - Tu Amor

Tom: Gb

Mi amor I'm not sure of the right words to say
 Maybe these simple words will do best to best explain
 What I feel in my heart
 What I feel more each day
 How to make you see
 How to let you know
 How to say how to say how I love you so
 With words you understand
 Words that get right through to your heart
 Here's the place to start

Chorus:

Tu Amor...
 I will always be
 Tu Amor...
 mean the world to me
 Esteras siempre en mi corazon
 You're the one in my soul
 And I live for...
 tu amor

Mi amor love you more with each look in your eyes
 Maybe these simple words will do best to best describe
 What I feel in my heart
 What I'll feel for all time
 How to make you see
 How to let you know
 How to say how to say how I need you so
 With words you understand
 Words that get through to your soul
 Words that will let you know

Chorus:

 Believe me these words I say
 are words that come straight from my heart
 How do I make you believe
 Nothing else means as much as what you mean to me?
