

Tom: G

## Chris Rea - Fool (If You Think It's Over)

```
Am
          D G
A dying flame, you're free again
        D G
Am ש א G Who could love and do that to you
All dressed in black, he won't be coming back
Am D E7
Save your tears, you've got years and years
      D G
The pains of seventeen's Unreal they're only dreams

Am

D

E7
Save your crying for the day
                      D G
Fool if you think it's over 'Cos you said goodbye
Fool if you think it's over I'll tell you why
                     D
New born eyes always cry with pain
At the first look at the morning sun
                     D
Fool if you think it's over It's just begun
                G
Miss teenage dream, such a tragic scene
               D G
Am
He knocked your crown and ran away
First wound of pride and how you cried and cried
              D E7
But save your tears you've got years and years
```

```
Fool if you think it's over 'Cos you said goodbye
Fool if you think it's over I'll tell you why
Solo sax: Am D G Em Am D E7
I'll buy your first good wine We'll have a real good time
           D
                      E7
save your crying for the day

Am D G Em Am
That may not come but anyone Who had to pay would laugh at
you and say
Fool if you think it's over 'Cos you said goodbye
                       D
Fool if you think it's over I'll tell you why
New born eyes always cry with pain at the first look at the
morning sun
Fool if you think it's over It's just begun
                D
I'll buy your first good wine We'll have a real good time
            D
                       F7
save your crying for the day
New born eyes always cry with pain at the first look at the
morning sun
Fool if you think it's over It's just begun
```
