

Real Friends - Empty Picture Frames

Tom: **Ab**

(com acordes na forma de **G**)

Capostrate na 1ª casa

I'm getting pretty good at leaving

My patience isn't running thin

Autumn never ends in my head

No matter how far I've been

It feels like everybody is the branch

And I'm the leaves falling from the top

Of every leafless tree

Refrão:

The home inside my head has a bed for me

That no one will ever get the chance to see

A kitchen table with one chair

Walls with empty picture frames

No one will ever see

No one will ever see

(**C** **G** **D** **0**)

Verso 2:

All I see is the past two years before I hit the ground

Time is moving slower on the way down

Save yourself

Don't stand wondering what's going through my mind

Let me go before you see me following behind

Pré-Refrão:

I'll save you from myself

Just let me go

I'll save you from myself

Refrão:

The home inside my head has a bed for me

That no one will ever get the chance to see

A kitchen table with one chair

Walls with empty picture frames

No one will ever see

No one will ever see

Ponte:

I've learned that it's okay to be selfish

It keeps me from falling apart at the seams

Stuck is where I feel in place

A feeling I'll embrace

Refrão:

The home inside my head has a bed for me

That no one will ever get the chance to see

A kitchen table with one chair

Walls with empty picture frames

No one will ever see

No one will ever see
