

Rebeca Câmara - Tudo Pra Ficar

tom:

Ab (forma dos acordes no tom de G)

Capostrate na 1ª casa

Se nada mudar a gente inventa

Se o caminho for longo a gente senta

Se o frio bater a gente esquenta

Se o medo chegar a gente enfrenta

Se acabar a gente recomeça

Sempre foi nossa promessa

Se a tristeza rondar a gente chora

E quando passar comemora

Só não vale desistir

Topo tudo pra seguir

Só não vale jogar tudo pro alto

Cada degrau um salto

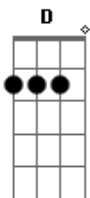

Só não vale olhar pra trás

O nosso amor a gente faz

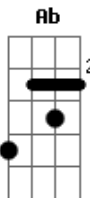

Só não vale dizer que acabou

Sem ao menos provar que tentou
