The night is like a lovely tune

Beware my foolish heart

How white the ever distant moon

Take care, my foolish heart

There's a line between love and fascination

That's so hard to see on evenings such as this

For they both give the very same sensation

When you are lost in the magic of a kiss
Her lips are much too close to mine
Beware my foolish heart
But should our eager lips combine,
Then let the fire start
For this time it isn't fascination
Or a dream that will fade and fall apart
It's love this time, it's love, my foolish heart
