 The night is like a lovely tune

 How white the ever distant moon

 Take care, my foolish heart

 There's a line between love and fascination
 D D7M D Fdim
 That's so hard to see on evenings such as this

 When you are lost in the magic of a kiss

 Her lips are much too close to mine
 D E7
 Beware my foolish heart

 But should our eager lips combine,

 Then let the fire start

 For this time it isn't fascination

 Or a dream that will fade and fall apart
