

# Rebecca Sugar - I'd rather be me (with you)

tom:  
 I'd rather be tall, I'd rather be smart  
 I'd rather be sure you know I care  
 Wherever you go, whatever you start  
 I'd rather be sure you know I'm there  
 I'd rather I always be a part of whatever you do

I'd rather be me with you  
 Wherever we go I already trust  
 I'd know what to do if it were us  
 I'd know what to say, I'd know how to be  
 I'd know your entire syllabus  
 I can't think of any other thing in the world I would rather do  
 If I could be I'd rather be me with you
