

# Rebecca Sugar - Let Me Drive My Van Into Your Heart

Tom: C

[Solo]

I know I'm not that tall <sup>Dm</sup>  
 I know I'm not that smart <sup>G C7M</sup>  
 But let me drive my van into your heart <sup>Am F</sup>  
 Let me drive my van into your heart <sup>G C</sup>

I know I'm not that rich <sup>Dm</sup>  
 I'm trying to get my start <sup>G C7M</sup>  
 So let me drive my van into your heart <sup>Am F</sup>  
 Let me drive my van into your heart <sup>G C</sup>

<sup>Bb</sup>

And if we look out of place <sup>F</sup>  
 Well, baby that's okay <sup>Ab</sup>  
 I'll drive us into outer space <sup>D G</sup>  
 Where we can't hear what people say

I know I don't have a plan <sup>Dm</sup>  
 I'm working on that part <sup>G C7M</sup>  
 At least I've got a van <sup>Am F</sup>  
 So let me drive my van into your heart <sup>G C</sup>

Let me drive my van into your heart <sup>Am F</sup>  
 Let me drive my van into your heart <sup>G C</sup>  
 Let me drive my van into your heart <sup>Am F</sup>  
 Let me drive my van into your heart <sup>G C</sup>
