

# Rebecca Sugar - Time Adventure

Tom: G

Time is an illusion  
 That helps things make sense  
 So we're always living  
 In the present tense  
 It seems unforgiving  
 When a good thing ends  
 But you and I will always be back then  
 You and I will always be back then  
 You and I will always be back then  
 You and I will always be back then  
 You and I will always be back then

Singing will happen  
 Happening happened  
 Will happen  
 Happening happened  
 And will happen  
 Again and again

Cause you and I will always be back then

If there was some amazing force outside of time  
 To take us back to where we were  
 And hang each moment up like pictures on the wall  
 Inside a million tiny frames  
 So that we could see it all all all

It would look like  
 Will happen  
 Happening happened  
 Will happen  
 Happening happened  
 And will happen  
 Again and again  
 Cause you and I will always be back then  
 Cause you and I will always be back then  
 Cause you and I will always be back then  
 Cause you and I will always be back then  
 That's why  
 You and I will always be best friends
