Rebecca Sugar - Time Adventure

Tom: G

```
         F7M        G7
Time is an illusion
   C7M           Am7
That helps things make sense
F7M           G7
So we're always living
  C7M        Am7
In the present tense
F7M           G7
It seems unforgiving
   C7M          Am7
When a good thing ends
    F7M          G7        C7M     Am7
But you and I will always be back then
F7M         G7       C7M     Am7
You and I will always be back then
F7M         G7       C7M     Am7
You and I will always be back then
F7M         G7       C7M     Am7
You and I will always be back then

       F7M  G7
Singing will happen
C7M        Am7
Happening happened
F7M G7
Will happen
C7M        D7
Happening happened
F7M       G7
And will happen
C7M       D7
Again and again
       F7M           G7        C7M     Am7
```

```
Cause you and I will always be back then

Gm                          C7
If there was some amazing force outside of time
       F              Dm
To take us back to where we were
Gm                              C7
And hang each moment up like pictures on the wall
F                   Dm
Inside a million tiny frames
                        Dm7  Dm    G7
So that we could see it all all all

It would look like
F7M G7
Will happen
C7M       Am7
Happening happened
F7M G7
Will happen
C7M       D7
Happening happened
F7M       G7
And will happen
C7M       D7
Again and again
       F7M         G7          C7M Am7
Cause you and I will always be back then
       F7M         G7          C7M Am7
Cause you and I will always be back then
       F7M         G7          C7M Am7
Cause you and I will always be back then
          D7
That's why
      F7M  G7         C7M   Am7
You and I will always be best friends
```
