

## Rebelde La Serie (Netflix) - Baby One More Time

```
'Cause I need to know now
                                                                Oh, because
                            tom:
                                                                                 Ghm
                          Gbm
                                                                My loneliness is killing me (and I)
Oh, baby, baby
                                                                              Em
                                                                I must confess, I still believe (still believe)
Oh, baby, baby
                                                                                       Gbm
                                                                When I'm not with you, I lose my mind
                                                                         D
Oh, baby, baby
                                                                Give me a sign
How was I supposed to know
                                                                Hit me, baby, one more time
That something wasn't right here?
                                                                Oh, baby, baby
                                                                Gbm
Oh, baby, baby
                                                                How was I supposed to know?
I shouldn't have let you go
                                                                0oh
And now you're out of sight, yeah
                                                                Bm
                                                                Oh, pretty baby
Show me how you want it to be
                                                                I shouldn't have let you go
    D
Tell me, baby
                Fm
                                                                I must confess
'Cause I need to know now
Oh, because
                                                                That my loneliness is killing me now
                                                                Don't you know I still believe
              Gbm
My loneliness is killing me (and I)
                                                                                Gbm
                                                                That you will be here
I must confess, I still believe (still believe)
                                                                And give me a sign?
                           Gbm
When I'm not with you, I lose my mind
                                                                Hit me, baby, one more time
Give me a sign
Hit me, baby, one more time
                                                                My loneliness is killing me (and I)
                                                                                  Fm
                                                                I must confess, I still believe (still believe)
Oh, baby, baby
                                                                When I'm not with you, I lose my mind
The reason I breathe is you (yeah, yeah, yeah, yeah, oh)
                                                                Give me a sign
Girl, you got me blinded
                                                                Hit me, baby, one more time
Oh, pretty baby
                                 D
                                                                My loneliness is killing me (and I)
       Gbm
There's nothing that I wouldn't do (I wouldn't do)
                                                                                  Em
                                                                I must confess, I still believe (I still believe)
That's not the way I planned it
                                                                When I'm not with you, I lose my mind
                                                                         D
Show me how you want it to be
                                                                Give me a sign
Tell me, baby
                                                                Hit me, baby, one more time
                 Fm
