

Rebels And Sinners - Haul Away Joe

tom:

Bm

When I was a little lad

So my mamma told me, she said

Weave haul away, and haul away, Joe!

If i did not fight the crown

This land will end in ruins, she said

Weave haul away, and haul away, Joe!

Weave haul away, we'll fight for better weather, Johnny!

Weave haul away, and haul away, Joe!

Lizzy was the queen of brits

That sent us to destruction, we said

Weave haul away, and haul away, Joe!

Many had their head chopped off

Em Bm

Oposing her constitution, she said

Weave haul away, and haul away, Joe!

Weave haul away, revenge winds now are blowing, Johnny

Weave haul away, and haul away, Joe!

They sent on us the RUC men

But they were weak and lazy, we said

Weave haul away, and haul away, Joe!

And then we fought the black and tans

And drove the british crazy

Weave haul away, and haul away, Joe!

Weave haul away, we'll fight for better weather, Johnny!

Weave haul away, and haul away, Joe!

Weave haul away, Revenge winds now are blowing, Johnny!

Weave haul away, and haul away, Joe!
