

# Rebelution - Bright Side Of Life

Tom: **F**

**Dm**  
Don't trip you know I'm always by your side  
You'll be fine for the ride just be calm

Take a breath and don't cry, oh my my **Bb** **Am**  
Look on the bright side

**Dm**  
Rise up now make an impact  
Now get your bags packed

Think about your life but girl don't you cry, oh my my **Bb** **Am**  
Look on the bright side of life

**Dm**  
Somebody told me everything's alright

That life's too short to be afraid **Bb**

Just leading up to what I want to say **Am**  
Living should be giving it away

**Dm**  
You're contemplating every single day

And learning so we educate and be positive **Bb**

It is what it is, come on set examples for the kids **Am**

**Gm** **C**  
I don't want to scare you no I don't

Riff on the **C** chord

**Gm** **C** **Db**  
It's time you be a role model so open up

( **Dm** **Bb** **Am** ) 2x

**Dm**
