

Rebelution - Feeling Alright Intro

Tom: G

Chords: Em Am G D

Well it's about that time for us to look around and meet somebody new

Let's all welcome in familiar faces, perhaps somebody who,

Has got a conflict in their life

Tell them you're sorry, but there's ways to change the wrong to right

See we can sit in a distant haze and watch rain clouds pour thoughts of

greatness and help our troubles sail real far away.

Well it's a struggle ? everyday we're stressing, but what's a life without

dedication?

I'm trying to pick up the souls intention to soak in music relaxation

I'm trying to pick up the souls intention to soak in music relaxation

We're feeling good, we're feeling alright

We're feeling good, we're feeling alright

In a moment I'll be on my way, to better days, while life is changing

And even though I've had my share of pain, I've been sympathizing and

realizing

I've got a feeling that we can be a better friend

Simply complimenting every now and then

In the morning I wake up and miss the night before

Cuz I love the music more and more

See we can sit in a distant haze and watch rain clouds pour thoughts of

greatness to help our troubles sail real far away

While it's a struggle everyday we're stressing, but what's a life without

dedication?

I'm trying to pick up the souls intention to soak in music relaxation
